REMARKS

This response is submitted in reply to the Official Action dated June 6, 2005 ("the Action"). In the Action, the Examiner required a restriction for:

- Group I. Claims 1-23, 36-47 and 48, drawn to process of making a semiconductor device, classified in class 438, subclass 613;
- Group II. Claims 24-35 and 49, drawn to a semiconductor device, classified in class 257, subclass 737;

The Applicants hereby elects the following named claims of Group I including Claims 1-23, 36-47, and 48, drawn to processes of making semiconductor devices. Claims 24-35 and 49 have been canceled without prejudice to the Applicants' right to pursue these claims in a divisional application. Moreover, the Applicants agree that the inventions of Groups I and II are patentably distinct.

Applicant respectfully submits that this application is now in condition for substantive examination, which action is requested. If any extension of time for the accompanying response or submission is required, Applicant requests that this be considered a petition therefor. The Commissioner is hereby authorized to charge any additional fee, which may be required, or credit any refund, to our Deposit Account No. 50-0220.

Respectfully submitted,
